Remind me 120 page analysis, what's that? But no, we need to add status of the 3 chevron wells update.

Did we mention the 3 chevron wells – status—did they look at 120 page analysis?

Yes, I would prefer to not to put Distruct 4 on the agenda and just ask all of them

You can add all yhour questions to #1.

Not sure if this is included below, but what about District 4? What's going on? I think David wanted to know what specifically was happening in D4- communication between Operators and D4? Is that your item #4 below?

1. Review of 7/31 deliverable
  - What is the difference in the information known for "project" versus "not associated with a project"
2. Format for the updated, comprehensive Category 1 report, with results from information orders, map request
3. Arroyo Grande AE package status, others
4. Cat 2 AE packages schedule
5. New wells (outside of the 532)
6. Elk Hills, Alon, San Joaquin Refinery
